Section I

Introduction to Summary of Benefits

Thank you for your interest in UnitedHealthcare® Group Medicare Advantage (PPO). Our plan is offered by UNITEDHEALTHCARE INSURANCE COMPANY a Medicare Advantage Preferred Provider Organization (PPO) that contracts with the federal government.

This plan is designed for people who meet the eligibility requirements of their former employer, union group or trust administrator (plan sponsor).

This Summary of Benefits tells you some features of our plan. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call UnitedHealthcare® Group Medicare Advantage (PPO) and ask for the "Evidence of Coverage."

Your Health Care Coverage

This plan is offered through your plan sponsor.

You may be able to join or leave a plan only at certain times designated by your plan sponsor. If you choose to enroll in a Medicare health plan or Medicare prescription drug plan that is not offered by your plan sponsor, you may lose the option to enroll in a plan offered by your plan sponsor in the future. You could also lose coverage for other plan sponsor retirement benefits you may currently have. Once enrolled in our plan, if you choose to end your membership outside of your plan sponsor's open enrollment period, re-enrollment in any plan your plan sponsor offers may not be permitted, or you may have to wait until their next open enrollment period.

It is important to understand your plan sponsor's eligibility policies, and the possible impact to your retiree health care coverage options and other benefits before submitting a request to enroll in a plan not offered by your plan sponsor, or a request to end your membership in our plan.

Please call UnitedHealthcare® Group Medicare Advantage (PPO) at the number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. TTY/TDD users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

Where is UnitedHealthcare® Group Medicare Advantage (PPO) available?

The service area for this plan includes the 50 United States and the District of Columbia, except for DeKalb, Gibson, Warren, Morgan and Shelby Counties in Indiana. If you live in one of these counties in Indiana, you are not permitted to enroll in the plan.

You must live in the service area to join the plan.

Who is eligible to join UnitedHealthcare® Group Medicare Advantage (PPO)?

You can join UnitedHealthcare® Group Medicare Advantage (PPO) if you are entitled to Medicare Part A, enrolled in Medicare Part B, live in the service area and you meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).

If you are not entitled to Medicare Part A, please refer to your plan sponsor's enrollment materials, or contact your plan sponsor directly to determine if you are eligible to enroll in our plan. Some plan sponsors have made arrangements with us to purchase Medicare Part A on your behalf.

Individuals with End Stage Renal Disease (ESRD) or who receive routine kidney dialysis may still be eligible to enroll through a plan sponsored Medicare Advantage (MA) health plan or as an individual, in some instances. Please call Customer Service at the phone number listed at the end of this introduction for more information.

Note: If you have received a transplant that has restored your kidney function and you no longer require a regular course of dialysis, you likely **are not** considered to have ESRD and you likely **are** eligible to enroll in UnitedHealthcare® Group Medicare Advantage (PPO).

Can I choose my doctors?

UnitedHealthcare® Group Medicare Advantage (PPO) has formed a network of doctors, specialists, and hospitals.

You can use any doctor who is part of our network. You may also go to doctors outside of our network.

The health providers in our network can change at any time. You can ask for a current provider directory. For an updated list, visit us at www.UHCRetiree.com.

Our Customer Service phone number is listed at the end of this introduction.

What happens if I go to a doctor who's not in your network?

You can go to doctors, specialists, or hospitals in or out of network. For more information, please call the Customer Service number listed at the end of this introduction.

Does my plan cover Medicare Part B or Part D drugs?

UnitedHealthcare® Group Medicare Advantage (PPO) does cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

Where can I get my prescriptions if I join this plan?

UnitedHealthcare® Group Medicare Advantage (PPO) has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases. The pharmacies in our network can change at any time. You can ask for a current pharmacy directory or visit us at www.UHCRetiree.com. Our Customer Service number is listed at the end of this introduction.

What if my doctor prescribes less than a month's supply?

In consultation with your doctor or pharmacist, you may receive less than a month's supply of certain drugs. Also, if you live in a long-term care facility, you will receive less than a month's supply of certain brand and generic drugs. Dispensing fewer drugs at a time can help reduce cost and waste in the Medicare Part D program, when this is medically appropriate.

The amount you pay in these circumstances will depend on whether you are responsible for paying coinsurance (a percentage of the cost of the drug) or a copay (a flat dollar amount for the drug). If you are responsible for coinsurance for the drug, you will continue to pay the applicable percentage of the drug cost. If you are responsible for a copay for the drug, a "daily cost-sharing rate" will be applied. If your doctor decides to continue the drug after a trial period, you should not pay more for a month's supply than you otherwise would have paid. Contact your plan if you have questions about cost-sharing when less than a one-month supply is dispensed.

What is a prescription drug formulary?

UnitedHealthcare® Group Medicare Advantage (PPO) uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected members before the change is made. We will send a Part D Abridged Formulary to you and you can search our complete formulary on our Web site at www.UHCRetiree.com.

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

How can I get extra help with my prescription drug plan costs or get extra help with other Medicare costs?

You may be able to get extra help to pay for your prescription drug premiums and costs as well as get help with other Medicare costs. To see if you qualify for getting extra help, call:

- 1-800-MEDICARE (1-800-633-4227). TTY/TDD users should call 1-877-486-2048, 24 hours a day / 7 days a week and see www.medicare.gov 'Programs for People with Limited Income and Resources' in the publication Medicare & You.
- The Social Security Administration at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY/TDD users should call 1-800-325-0778 or
- Your State Medicaid Office.

What are my protections in this plan?

All Medicare Advantage Plans agree to stay in the program for a full plan year at a time. Plan benefits and cost-sharing may change from plan year to plan year. Each year, plans can decide whether to continue to participate with Medicare Advantage. A plan may continue in their entire service area (geographic area where the plan accepts members) or choose to continue only in certain areas. Also,

Medicare may decide to end a contract with a plan. Even if your Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue for an additional year, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area, and your plan sponsor will notify you of their options for your coverage.

As a member of UnitedHealthcare® Group Medicare Advantage (PPO) you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance.

You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

As a member of UnitedHealthcare® Group Medicare Advantage (PPO), you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered.

An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

What is a Medication Therapy Management (MTM) program?

A Medication Therapy Management (MTM) Program is a free service we offer. You may be invited to participate in a program designed for your specific health and pharmacy needs. You may decide not to participate but it is recommended that you take full advantage of this covered service if you are selected. Contact UnitedHealthcare® Group Medicare Advantage (PPO) for more details.

What types of drugs may be covered under Medicare Part B?

Some outpatient prescription drugs may be covered under Medicare Part B. These may include, but are not limited to, the following types of drugs. Contact UnitedHealthcare® Group Medicare Advantage (PPO) for more details.
